Honorable Kathleen Babineaux Blanco
Governor
State of Louisiana
Post Office Box 94004
Baton Rouge, Louisiana 70804

Dear Governor Blanco:

Thank you for asking for my recommendations for line item vetoes in the budget.

A list of my first round of recommendations is attached. The recommendations are based upon the fact that many of the entities do not appear to be government entities, the lack of information about many of the items or entities, and that many of the items should have been considered through the entire process and/or included in other appropriate places in the budget to ensure proper public scrutiny, input and accountability.

Sincerely,

John Kennedy
State Treasurer
